Payment Terms/Methods

Parents must select a payment plan at the time of enrollment. Monthly payments of annual tuition and fixed monthly fees (transportation, childcare) must be paid by electronic fund transfer (EFT) payments through FACTS Tuition Mgmt with the balance paid in full by June 10th. There is a fee annual charged by FACTS Tuition Mgmt for the service. See FACTS brochure for further information and payment policies. An advance payment directly to RCS may be required depending on the number of months' payment plan chosen and the processing time required.

Financial Assistance

Financial assistance can be awarded to qualifying families for students in kindergarten through 12th grade. Pay in full discounts are not available.

Late Payments/NSF Checks/Delinquent Accounts

A **\$25.00** late fee may be charged monthly for accounts more than 15 days past due. A \$25.00 fee will be assessed for each check returned for insufficient funds.

A late fee will be assessed by RCS through FACTS Tuition Mgmt, after the second consecutive time a scheduled payment is unsuccessful.

NOTE: Accounts must be current for students to participate in extra-curricular activities.

Withdrawal Fee

A family electing to withdraw prior to the end of the school year will be assessed **\$100** to finalize the withdrawal.

Parents must provide advance notice in writing at least five (5) days prior to a student's withdrawal. **Tuition pro-ration** is based upon the last day the child attends school per the enrollment schedule. As tuition is stated as an annual fee, pro-ration may result in an additional amount due, based on the number of school days attended.

Should the school initiate the withdrawal, the tuition pro-ration will be determined by the effective date of termination. A detailed schedule of dates and percentages is available upon request. All tuition payments received in excess of withdrawal fees or pro-rated tuition will be refunded.

When a student enrolls on or after the first day of classes, tuition is pro-rated based on the portion of the grading period to be completed. During the first 10 days of the school year, 100% of the tuition is charged. Following the first ten days, tuition is charged per the enrollment schedule.

Condition of Attendance On the first day of school, a child may not be admitted to class unless the registration fee, application fee and at least 1/10 of the annual tuition has been received. For second semester admission, 1/5 of the tuition must be received. Students may be denied admission to class when an account is 45 days past due. Failure to maintain payments, or pay past due amounts after repeated requests will jeopardize the child's enrollment and result in the account being turned over to a collection agency. This action does not reduce, eliminate, or waive obligation to pay balances. Good and frequent communication with our office helps us work together to resolve payment issues. School records may be retained until account balances are paid in full.
