2019-2020 Rainier Christian Schools Financial Policies

Fees/Responsibility for Payment of Fees

Registration Fee - The full registration fee must be paid for each student enrolling in childcare/preschool through grade 12, up to the family maximum. **The fee is non-refundable and must be paid prior to the first day of school.**

Facility Fee - All enrolling families entering grades K-12 are charged a one-time facility fee per family, due upon registration. **The facilities fee is non refundable**

Technology Fee - The technology fee must be paid for each student enrolling in K-12. This fee is for the ongoing technological advances throughout our campuses' infrastructure. The fee is non-refundable and must be paid prior to the first day of school. **Maker Space** projects requiring 1/4 spool or more material will be assessed \$8 per 1/4 spool used per project.

Athletic Fees - Please see "Athletic Fee Schedule Agreement"

Student Activity/MISC Fees - 6th grade camp, field trips, 3D printing supplies, yearbook, transportation, and other non-normative activities may incur fees.

The parent or legal guardian(s) who sign(s) the Financial Agreement upon enrolling the student for the school year is fully responsible for payments of all fees according to established payment schedules of Rainier Christian Schools. Parties who agree to share responsibility for fees must both (all) sign the financial agreement.

Withdrawal Fee

A family electing to withdraw prior to the end of the school year will be assessed **\$100** to finalize the withdrawal.

Parents must provide advance notice in writing at least five (5) days prior to a student's withdrawal. **Tuition pro-ration** is based upon the last day the child attends school per the enrollment schedule. As tuition is stated as an annual fee, pro-ration may result in an additional amount due, based on the number of school days attended.

Should the school initiate the withdrawal, the tuition pro-ration will be determined by the effective date of termination. A detailed schedule of dates and percentages is available upon request. All tuition payments received in excess of withdrawal fees or pro-rated tuition will be refunded.

When a student enrolls on or after the first day of classes, tuition is pro-rated based on the portion of the grading period to be completed. During the first 10 days of the school year, 100% of the tuition is charged. Following the first ten days, tuition is charged per the enrollment schedule.

Condition of Attendance On the first day of school, a child may not be admitted to class unless the registration fee, application fee and at least 1/10 of the annual tuition has been received. For second semester admission, 1/5 of the tuition must be received. Students may be denied admission to class when an account is 45 days past due. Failure to maintain payments, or pay past due amounts after repeated requests will jeopardize the child's enrollment and result in the account being turned over to a collection agency. This action does not reduce, eliminate, or waive obligation to pay balances. Good and frequent communication with our office helps us work together to resolve payment issues. School records may be retained until account balances are paid in full.
