Tuition

The Tuition must be paid in full by August 1st.

When a student enrolls on/after the first day of classes, tuition is pro-rated based on the portion of the grading period to be completed. During the first ten (10) days of the school year, 100% of the tuition is charged. Following the first ten (10) days, tuition is charged per the enrollment schedule.

Students not meeting academic standards forfeit rights to a tuition refund.

Withdrawal

A family electing to withdraw prior to the end of the school year will be assessed \$100 to finalize the withdrawal.

Parents must provide advance notice in writing at least five (5) days prior to a student's withdrawal. Tuition pro-ration is based upon the last day the child attends school per the enrollment schedule. As tuition is stated as an annual fee, pro-ration may result in an additional amount due, based on the number of school days attended.

Should the school initiate the withdrawal, the tuition pro-ration will be determined by the effective date of termination. A detailed schedule of dates and percentages is available upon request. All tuition payments received in excess of withdrawal fees or pro-rated tuition will be refunded.
