Sports Eligibility Requirements for Homeschool Students

To align with WIAA policy, the following conditions outline how homeschool students can participate with RCS sports teams at the middle school and high school level.

- Homeschool students must be enrolled at least ½ time at a particular campus, through our a combination of traditional classroom and online environments. The ½ time requirement is a WIAA rule to participate in athletics.
- A student enrolled in a traditional classroom setting for ½ time or less is required to pay New Student Registration Fees, Technology Fee, and Facilities Fees.
- Additionally, all district athletic fees apply whether the student is choosing the traditional classroom environment, or combination of online and classroom learning.
- Students are expected to maintain a 3.0 G.P.A while enrolled in RCS coursework, abide by expectations contained in our Parent/Student Handbook, and Athletic Code of Conduct.
