

Dear RCS Alumni,

March 2020

Congratulations are in order to the boys' basketball team. The Mustang men posted a regular season record of 19-5, finished 3rd in the Tri-District League Championship, and now, defend their way into the State playoffs ranked as the 7th best team. Next

Wednesday at 10:30am, RCHS challenges #10, Almira-Coulee-Hartline, in Spokane.

The winner advances to play on Thursday.

Depending on Wednesday's outcome, expect extra messaging from the high school about Rainier Christian's progress and for ways to cheer the team on. Go Mustangs! 

Rainier Christian Schools values athletics as a platform for Christian discipleship, sportsmanship, teamwork, managing disappointment, and winning graciously. Learning through sports underscores New-Testament, athletic metaphors regarding faith and perseverance. Can you sense the perspiration dripping off 1Cor. 9:24-27, Gal. 2:2, 5:7, Php. 2:16, 2Tim. 4:7-8, and Heb. 12:1? As an athlete, these verses seem to leap off the page and add to our faith.

"Educating and Developing the Whole Person for the Glory of God"

Rainier Christian Schools- Elementary to High School, Preschool & Childcare - Serving South King County since 1963!

As I close the topic of athletics, I want to switch lanes from athletes to coaches. Specifically, I want to publicly thank Mr. Brian Christian, (KVE/RCMS P.E. teacher extraordinaire), for stepping out of coaching retirement to lead the lady Mustang's fast-pitch team. Mr. Christian made it possible to field a very promising and competitive girls' team within the SeaTac 1B league.

RCS Annual Auction Nears

Please mark your calendars for April 24 and 25 to attend our signature fundraisers of the year. The silent auction on Friday evening enjoys a causal atmosphere at Black Diamond Camps with lots of conversations. It's a great way

for alumni to reconnect, bid on a large assortment of fun and personalized gifts, and support our high-school students earning money for their senior trip. Each high-school class serves differently. Students of the senior class offer childcare, juniors serve up dinners for purchase, sophomores dish up a platter of sumptuous desserts, and freshmen support logistics and setup.

The masquerade party on Saturday evening features a fresh venue, the Fairwood Golf and Country Club. Another wrinkle for this year is the option for mobile bidding on selected items—during Saturday night only. Wear your favorite mask and register [here!](#) Once again, auction coordinator superstar, Sarah Rickel, and her amazing team continue their efforts to make both evenings wildly successful.

Board Leadership Transition

After nearly five years of distinguished support and service, Mr. Kent Bruce announced he is stepping down as Chair of the RCS Board of Directors. Mr. Bruce's long-standing commitment guided RCS through a change in Rainier Christian's Superintendent and numerous improvements. He prepared a written statement copied below in its entirety,

"On behalf the entire Board of Rainier Christian Schools I wanted to take a moment and bring you up to date on some changes to our Board structure. After four years of serving as the Chair of the Board, I have decided it is time to pass the baton. Julie Franzen will now be your Chair and Steve Pope will be the Vice Chair. Both of them have years of experience in the school and will do a wonderful job maintaining the duties of your school Board. In addition to Rick Rosenkranz, Dan Vander Pol, and Mark Hargrove, I will continue to serve as a Board member. It has been a pleasure to have served as the Chair and may God continue to bless Rainier Christian Schools."
Kent Bruce

While his shoes are impossible to fill, Ms. Julie Franzen, was unanimously voted in during an executive session to assume Chair of the Board of Directors, effective March 1. Ms. Franzen's long-term familiarity with the district as a parent and Board member offer invaluable continuity and support for Rainier Christian Schools. Ms. Franzen prepared a short bio as a way to introduce herself.

"Julie has been an active supporter and volunteer in the Rainier Christian School District since 2004 serving on the Kent View PTF as Secretary, Treasurer, and as President. Most recently, she has served on the RCS Board of Directors since early 2018 and prior to that in 2015 and 2016. In her professional life, Julie is the Airbus Fleet Program Manager at Alaska Airlines where she supports the pilots through development and maintenance of aircraft procedures and operational manuals. At home she is wife to Scott and mom to Hunter (21) who graduated from RCS in 2016 and Chase (13) who is attending the Middle School. She graduated summa cum laude from Embry Riddle Aeronautical University with a BS in Aviation Business Administration."

Please join me in thanking Mr. Bruce for his leadership, service, and commitment to RCS. Let's welcome Ms. Franzen and Mr. Pope to their new leadership roles!

I would like to acknowledge and thank a small group of people making a difference for Rainier Christian Schools. They're a remarkable cohort of alumni and current parents who work for the Boeing company, and participate in the company's match program for non-profits. Collectively, their contributions paid for all the new signage popping up across the district. The next wave of giving earmarked for an extreme makeover of the Kent View gymnasium. Beginning this summer, the gym's interior and exterior, along with improvement for the gym's acoustics move to the top of our project list.

When students and families return in September, all alumni are invited to an Open-House style barbeque to celebrate God's provision. Thank you for supporting RCS through the company match program.

Rainier Christian Schools- Elementary to High School, Preschool & Childcare - Serving South King County since 1963!

A heartfelt thank you is also due to our prayer partners. I wanted to follow up on the prayer requests mentioned in January's letter. In January, the Board studied a Purchase and Sale Agreement for the 35-acre parcel adjacent to the Maple Valley campus. After a round of negotiations, the Board and the buyer reached an agreement. The sale of the parcel is contingent upon our 4:1 application to King County and the buyer's preliminary plat approval. I continue to meet with the County about the application and know the Lord is attentive to our prayer. While it is difficult to pinpoint, I feel political headwind from King County. Pray for God's favor.

Related to our vision for the future, there is another development from the Federal Emergency Management Agency, FEMA, that affects the Kent View campus. For over a decade, FEMA promised a revision to the region's floodplain map. The revision significantly affects our Kent View parcel. I would like to thank **Darrell and Doug Donovan** from Donovan Brothers Inc., and **Dan Balmelli** with Barghausen

Consulting Engineers, for helping us in conversations with the city of Auburn.

The topological LIDAR map, shown at right, reveals flood plain changes and mitigation needs for construction

projects at the Kent View site, i.e., the proposed Multipurpose Event Center. The Board and I ask for wisdom as we pursue next steps.

Rainier Christian Schools- Elementary to High School, Preschool & Childcare - Serving South King County since 1963!

Thank you for reading this far. It's been a busy season, and I suspect the busyness will continue right through the end of the school year. Next month, Good Friday marks the beginning of our Easter Week break. I look forward to rejoicing in the Good News of the resurrection of our Lord and Savior, Jesus Christ. *"I am the resurrection and the life. Anyone who believes in me will live, even after dying."*
Jn. 11:35.

My best,

A handwritten signature in black ink that reads "Bruce Kelly". The signature is written in a cursive style.

Bruce Kelly
President, Rainier Christian Schools
