FIELD TRIP GUIDELINES

Field trips are to enrich our curriculum. Approximately two weeks or more prior to each campus field trip, permission slips will be sent home for parent/guardian signature and return. There will be scheduled experiences during the year that may be on or off campus. Field trips are a wonderful learning experience for students and parent participation is necessary to meet the standard of appropriate adult-child ratio. Any child not participating in a field trip may not attend school on that day.

Field Trip Chaperones Requirements: All field trip chaperones must have a valid background check on file.

Background Check Procedures: Volunteers/Parents who request being a chaperone for field trips must fill out and complete the following requirements for the current school year, and or at least two weeks prior to the field trip / activity:

- Complete and submit Background Check form found at the school office
- Bring a valid driver's license to the school office along with a copy of the valid driver's license.

We encourage parents to ride the bus with the class. Children/Students who are NOT enrolled at Rainier Christian Schools are not to be on the bus as they are not covered by our insurance. Rainier Christian School District is not liable for students being transported by individuals not employed by Rainier Christian Schools.
